

bareMinerals READY™ SPF 15 TOUCH UP VEIL

What is it?

bareMinerals READY is an innovative new concept in solid mineral technology.

- Powered by our **SeaNutritive Mineral™ Complex** composed of positively-charged sea minerals with powerful antioxidants and cold-pressed grapeseed oil.
- Skin-nourishing formula delivers potent benefits for softer, smoother, revitalized skin with antioxidant and broad spectrum UVA/UVB sun protection
- **Unique cold-pressed method** maintains the integrity of the beneficial sea mineral formulation without additives
- Buffs on with a silky smooth texture and instantly diffuses the look of imperfections while reducing oil and shine for a soft-focus airbrushed finish.
- Sleek, soft-touch component (complete with puff applicator and mirror) for on-the-go portability

Available in 2 shades

- Translucent
- Tinted

Sound Bites

- bareMinerals READY SPF 15 Touch Up Veil diffuses the look of imperfections, fine lines and wrinkles while reducing shine for a flawless soft-focus finish throughout the day.

Features

SeaNutritive Mineral Complex, Powerful Antioxidants & Cold-Pressed Grapeseed Oil

Unique Cold-Pressed Method

Corn Starch, Bamboo Powder & Natural Silica

Natural SPF 15

Application Puff

Benefits

= Delivers potent benefits for softer, smoother, revitalized skin

= Maintains the integrity of the beneficial sea mineral formulation without additives

= Helps diffuse the look of imperfections, fine lines, wrinkles and reduces shine

= Provides broad UVA/UVB sun protection

= Great for applying your finishing touch on-the-go

Application Tips

bareMinerals READY SPF 15 Touch Up Veil can be applied with a face brush or the included puff to eliminate shine; focus on oily areas. Clean puff regularly by rinsing with water. Wait until puff is fully dry before use.
